

Press Release

Seedy Sunday Fun Seed Swap

5th February 2017

Seedy Sunday on 5th February 2017 offers everyone the chance to swap surplus seed, find out about things going on in your community and pick up tips on gardening. Some of our local community groups interested in biodiversity, sustainability, and the environment will be there and keen to share their interests. There will also be plenty of knowledgeable folk able to offer gardening tips and advice!

Trumpington Allotment Society and Transition Cambridge invite you to take part in their popular annual event in the Trumpington Village Hall on High Street, Trumpington, Cambridge CB2 9HZ from 1.30pm to 4pm, with a seed swap plus stalls and refreshments. All are welcome and entry is £2, children free.

At this popular event you can bring self-saved seeds to exchange, swap bought surplus seed or take seeds in exchange for a small donation. If you don't have any spare seeds, don't worry - there will be plenty to go round.

The stalls will include The Heritage Seed Library, Trumpington Community Orchard, Thomas Etty Heritage Seed Merchants, the Wildlife Trust, Transition Cambridge, artisan baker Richly Baked, Cambridge Cropshare and Waterland Organics, Wool compost merchant, Habitorials, Dave Jackson Bee products, Cambridge Sustainable Food, wonderful coffee, teas and cakes by Trumpington W.I. and more. For fun there will be a tombola with lots of lovely prizes to be won. But the central activity will be the seed exchange.

This great local get together enables gardeners to share ideas, seeds and expertise. Fun and informative, this event comes at a great time to prepare for the new season's planting. Don't miss it if you want to get more out of your garden and your community.
